

POP-UP TELLER PODS

Earlier this year, **Vita Lansworth** tasked Fenco to provide a teller pod that can be easily transported, assembled & disassembled by a single person. Here is the end result; a teller pod that safely ships flat on a pallet and can be assembled & disassembled in under 5 minutes by a single person. No screws, no tools, no hassle! Don't believe us? Click the link to the video at the bottom of the flyer.

If you think a **POP-UP TELLER POD** may be a nice fit for your **SHOW ROOM**, **TRADE SHOWS**, **TELLER TRAINING ROOMS** and/or **TEMPORARY TELLER STATIONS**, please reach out to us today to design yours.
