

# Teller Pods

Customizable, quality teller pods

**Fast & Professional**

## About our Teller Pods

Allow Fenco to bring your branch or store to life with one of our quality teller pods. We offer a variety of standard designs that incorporate the reliability and security of Fenco's undercounter steel teller pedestals, providing a planned space for any teller cash recycler (TCR), with options for rear service access paneling. All Fenco teller pods are customizable to accommodate ADA requirements by either lowering one of two teller stations or adding a flip up ADA service shelf or pop-out drawer.

## Additional Information

### Partner Mills

Fenco collaborates with high-quality partner mills strategically located across the country, ensuring efficient and localized production for your projects. Whether your project is in New Jersey or California, our regional mills minimize shipping costs and transit times, providing a cost-effective solution. This extensive network enables Fenco to offer quick lead times and the capacity to support larger regional or nationwide projects.

### Finishes

Fenco offers a variety of high-quality finishes to suit your needs, including Wilson Art Plastic Laminate (P-Lam) and Corian Solid Surface. For those seeking other materials, we can provide wood, wood veneer, or work with a local stone mason upon request. Additionally, Bullet Resistant (BR) paneling or glass can be incorporated into your design and supplied by Fenco.

## Value by Design

Fenco is an industry leader in banking products, renowned for their tried and true quality. Our products are crafted with high-value design and construction, ensuring durability and reliability. With a commitment to excellence, Fenco provides banking solutions that stand the test of time, delivering exceptional performance and security for financial institutions nationwide.
