Additional Information

Partner Mills

Fenco collaborates with high-quality partner mills strategically located across the country, ensuring efficient and localized production for your projects. Whether your project is in New Jersey or California, our regional mills minimize shipping costs and transit times, providing a cost-effective solution. This extensive network enables Fenco to offer quick lead times and the capacity to support larger regional or nationwide projects.

Finishes

Fenco provides a variety of high-quality finishes to enhance your branch or store's aesthetics. Choose from Wilson Art Plastic Laminate (P-Lam) finishes for a durable and stylish option, or explore our range of Corian Solid Surface finishes for a sleek and modern look. Additionally, Fenco offers wood and wood veneer finishes upon request, and can collaborate with local stone masons for custom stonework.

Value by Design

Fenco is an industry leader in banking products, renowned for their tried and true quality. Our products are crafted with high-value design and construction, ensuring durability and reliability. With a commitment to excellence, Fenco provides banking solutions that stand the test of time, delivering exceptional performance and security for financial institutions nationwide.
