Product Highlights

116 Teller Bus

Featuring 16 compartments specifically designed to accommodate the P-111 removable cash drawer (RCD). This high-capacity unit is perfect for streamlining your cash management processes. Constructed with Fenco's renowned unibody double-wall construction, it ensures durability and reliability. The 116 Teller Bus offers a variety of color finishes to suit your aesthetic preferences.

585 Teller Bus

The 585 Teller Bus is a popular cash management solution from Fenco. Featuring a sleek design with 6 compartments, equipped with 1/8" locking steel plate doors. Durable construction, complete with ergonomic handles, makes it easy to maneuver and operate, making the 585 Teller Bus an ideal choice for efficient and secure cash handling in any banking environment.

Value by Design

Fenco is an industry leader in banking products, renowned for their tried and true quality. Our products are crafted with high-value design and construction, ensuring durability and reliability. With a commitment to excellence, Fenco provides banking solutions that stand the test of time, delivering exceptional performance and security for financial institutions nationwide.
