Product Highlights

207 Teller Pedestal

This Teller Pedestal features two locking box drawers over two 1/4" frame lockers behind 1/2" steel plate doors, each equipped with three-point bolt-work, key-locking L-handles, and integral with any combination lock that suits your operation. Engineered for durability and security, the 207 Teller Pedestal is ideal for safeguarding valuable assets while maximizing efficiency in your teller line or pod system.

604 ADA Teller Pedestal

A sleek and functional solution designed to enhance your teller line, teller pod, Drive-up counter, or workroom. The lowboy design provides easy access to two locking box drawers, ensuring secure storage for your essentials. Behind the locking cupboard door lies an adjustable shelf, offering additional space for organization.

Value by Design

Fenco is an industry leader in banking products, renowned for their tried and true quality. Our products are crafted with high-value design and construction, ensuring durability and reliability. With a commitment to excellence, Fenco provides banking solutions that stand the test of time, delivering exceptional performance and security for financial institutions nationwide.
